AQUA VERITAS™
MICRO WATER FILTER QUALITY ASSOCIATION

MANUFACTURER PRODUCT DATA

FORM INSTRUCTIONS

1. This form is provided for the compilation of data on each of the water filtration products offered by your company.
2. Save the form to your local computer. The form is interactive and may be saved, cleared and saved again.
3. Company Information: Enter all of the Company information in the area provided.
4. Product Information: A line is provided for each product. Enter the Product Description (Up to 250 characters) and requested "Product Claim" information in each of the columns.
5. Save the completed form(s) and email them to: info@aquaveritas.org.
6. Independent Laboratory Test Report: Along with the completed form, email the Independent Laboratory Test Report which reflects the "End of Life" testing that has been completed on each of the products. Information pertaining to "End of Life" testing can be reviewed at: http://aquaveritas.org/water-filter-end-of-life-testing/.
